

# Welcome

This area is for **documentation on artificial intelligence (AI)**.

Content on AI topics will be created and maintained here - concepts, guides, terminology, and practical applications.

## Current status

There is no further content yet. The area is being set up gradually and is currently visible only to you.

## Language

This page is in **English**. Use the language selector in the menu bar above to switch to **Deutsch** (German) or **Русский** (Russian).
